To All the Island Residents Interested in Literary Work.

The Literary Circle of the Kiloahana Art League invites both from its members and from the general public, competitive contributions for the year 1901 in the following lines of literary work:

First. Original stories.
Second. Original verse.
Third. Original critical essays on the work, or a phase of the work, of a selected author or historical character.
Fourth. Original critical or comparative studies or group of authors, literary work or schools of thought.

Fifth. Original essays, dealing with social, economic, educational or sociological problems connected with our Island or National life.

Sixth. Original dramas or original dramatization of published stories or poems.

All contributions are to be mailed to Mrs. Selma Kinney, not later than November 25th from the other Islands and November 30th in Honolulu.

All manuscripts should be signed by a nom de plume, and each should be accompanied by a sealed envelope, bearing the same nom de plume on the outside, and containing the real name of the author, with address.

If it is desired that the manuscript should be returned, postage should be enclosed.

A competent committee will be appointed by the Literary Circle of the League to study and compare the various contributions, and first, second, and third mention of best contributions in each class will be made by the committee in the public press as the submitted work justifies.

It is the further intention of the Literary Circle to make selections from the best contributions for presentation at their "At Homes," to be given at the League rooms during the coming winter, the selections to be presented either by the author, personally, or by some one chosen for the particular selection to be rendered.

Respeaking a wider interest throughout the Islands in these various lines of literary work, we are, on behalf of the Literary Circle of the Kiloahana Art League,

SELMA KINNEY,
MARY DILLINGHAM FREAR,
ELIZABETH VAN CLEVE HALL,
Committee.

Few People Realize

That their hair is sick when it shows signs of falling and that in its feeble way it is crying for nourishment. If your hair is falling or dry or turning gray, or if the scales of dandruff are continually falling like snow from your scalp, it is very evident that it is not enjoying good health; therefore the only intelligent thing to do is to treat it.

PACHECO'S DANDRUFF KILLER quickly cleanses the scalp of all humors and dandruff, it arrests the fall and imparts a healthy, natural color to the hair. It is scientifically compounded and is the result of many years of experience and study of the diseases of the human scalp.
